#### Deployment of funds collected during NFO period

The AMC shall deploy the funds garnered in an NFO within 30 business days from the date of allotment of units.

In an exceptional case, if the AMC is not able to deploy the funds in 30 business days, reasons in writing, including details of efforts taken to deploy the funds, shall be placed before the Investment Committee of the AMC. Basis root cause analysis, The Investment Committee may extend the timeline by 30 business days, while also making recommendations on how to ensure deployment within 30 business days going forward and monitoring the same. Trustees shall also need to monitor the deployment of funds collected in NFO and take steps, as may be required, to ensure that the funds are deployed within a reasonable timeframe.

In case the funds are not deployed as per the asset allocation mentioned in the SID as per the aforesaid mandated plus extended timelines, AMC shall:

i. not be permitted to receive fresh flows in the same scheme till the time the funds are deployed as per the asset allocation mentioned in the SID.

ii. not be permitted to levy exit load, if any, on the investors exiting such scheme(s) after 60 business days of not complying with the asset allocation of the scheme.

iii. inform all investors of the NFO, about the option of an exit from the concerned scheme without exit load, via email, SMS or other similar mode of communication.

iv. report deviation, if any, to Trustees at each of the above stages.

#### **Rebalancing due to Short Term Defensive Considerations:**

As per Para 1.14.1.2 of SEBI Master circular No. SEBI/HO/IMD/IMD-PoD-1/P/CIR/2024/90 dated June 27, 2024, the asset allocation pattern indicated above may change for a short-term period on defensive considerations. The proportion of the scheme invested in each type of security will vary in accordance with microeconomic & macroeconomic conditions, interest rates, and other relevant considerations. These proportions may vary depending upon the perception of the Fund Manager, the intention being at all times to seek to protect the interests of the Unit holders. In case of any deviation, the portfolio shall be rebalanced within 30 calendar days.

#### Rebalancing due to passive breaches:

In the event of any deviations from the mandated asset allocation as mentioned above due to passive breaches, portfolio rebalancing will be carried out by the Fund Manager within 30 Business Days of the date of the said deviation. In case the rebalancing is not done within the specified period of 30 Business Days, the matter would be recorded in writing and shall be placed before the Investment Committee.

The Investment Committee shall record the reason in writing leading to the reason for falling the exposure outside the asset allocation and if so desires, the Committee shall extend the timelines upto 60 (sixty) Business Days from the date of completion of mandated rebalancing period of 30 Business Days in line with Clause 2.9 of the SEBI Master Circular dated June 27, 2024.

Further, in case, the portfolio of schemes is not rebalanced within the aforementioned both the timelines, the AMC shall:

- a. Not launch any new scheme till the time the portfolio is rebalanced.
- b. Not levy exit load, if any, on the investor exiting the scheme.

In case the AUM of the deviated portfolio is more than 10% of the AUM of the main portfolio of the scheme.

- i. The AMC shall immediately communicate the same to the investors of the scheme after the expiry of the mandated rebalancing period (i.e. 30 Business Days) through SMS and email/letter including details of portfolio not rebalanced.
- ii. The AMC shall also immediately communicate to the investors through SMS and email/letter when the portfolio is rebalanced.
- iii. The AMC shall disclose scheme wise deviation of the portfolio (beyond aforesaid 10% limit) from the mandated asset allocation beyond 30 business days, on the AMC 's website i.e. www.unifimf.com.

The AMC shall also disclose any deviation from the mandated asset allocation to investors along with periodic portfolio disclosures as specified by SEBI from the date of lapse of mandated plus extended rebalancing timelines.

#### Investment Strategy

The Scheme strategy aims to generate capital appreciation by investing in a diversified portfolio of equity & equity related instruments across sectors and market capitalization.

The Fund Manager will follow an active investment strategy primarily based on fundamental research which includes bottom-up stock selection after duly considering the top-down structural trends. The Scheme would typically invest in well-governed companies with any or combination of the following characteristics –

- Underlying sectors experiencing strong business growth / value migration / margin expansion / market share gains from unorganized segment;
- Valuations are at a discount to intrinsic value and / or reasonable considering near to mid-term earnings growth prospects;
- Corporate events like spin-off, buy-back, M&A leading to value-unlocking / business expansion / ROE enhancement;
- High governance standards and efficient capital allocation track record;

The scheme will be anchored to investing in growth businesses and would be consensus agnostic. The scheme strives to adopt a prudent sell-discipline on achieving objective or fundamental thesis change as part of its on-going portfolio management.

Definition of Large Cap, Mid Cap and Small Cap:

As per Para 2.7.1 of SEBI Master Circular on Mutual Funds dated June 27, 2024, a definition has

been provided of large cap, mid cap and small cap as follows.

- a) Large Cap: 1st 100th company in terms of full market capitalization
- b) Mid Cap: 101st 250th company in terms of full market capitalization
- c) Small Cap: 251st company onwards in terms of full market capitalization.

Subsequent to any updation in the above list, the portfolio would be re-balanced in line with the updated list within a period of one month.

The scheme shall invest part of its portfolio in debt and money market instruments subject to permissible limits laid under SEBI (MF) Regulations and will be guided by credit quality, liquidity, interest rates outlook. The scheme shall also have an exposure to derivative instruments for the purpose of hedging, portfolio balancing and optimising returns.

#### **Derivatives Strategy**

The Scheme may invest in various derivative instruments which are permissible under the applicable regulations. Such investments shall be subject to the investment objective and strategy of the scheme and the internal limits if any, as laid down from time to time. These include but are not limited to futures (both stock and index) and options (stock and index).

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or excuse such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Invest in REITs and INVITs within the permissible regulatory limits shall be made to have a combination of periodical accrual (distribution) and an opportunity to benefit from capital gains.

Portfolio Turnover: The scheme being an open-ended scheme, it is expected that there would be frequent subscriptions and redemptions. Hence, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. If trading is done frequently there may be an increase in transaction cost such as brokerage paid etc. The fund manager shall endeavour to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. The Scheme has no specific target relating to portfolio turnover.

#### Risk Profile of the Scheme

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID/SAI carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:

#### Risks associated with investments in Equity and Equity related instruments

- •Equity and equity related instruments are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make intended securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme portfolio would result at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme portfolio. Also, the value of the Scheme investments may be affected by interest rates, currency exchange rates, changes in law/ policies of the government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors.
- Investments in equity and equity related securities involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risk of loss.

- Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the scheme. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities.
- •The AMC may invest in to be listed securities within the regulatory limit. This may however increase the risk of the portfolio as these to be listed securities are inherently illiquid in nature and carry larger liquidity risk as compared to the listed securities or those that offer other exit options to the investors.

#### Risk Associated with investment in Overseas Securities

The Scheme may invest in overseas markets subject to necessary approvals and within the limits specified in the asset allocation pattern of the scheme . Such investments carry risks related to fluctuations in the foreign exchange rates, the nature of the securities market of the country, repatriation of capital due to exchange controls and political circumstances. The AMC believes that investment in foreign securities offers new investment and portfolio diversification opportunities into multi-market and multi-currency products. However, such investments also entail additional risks. Such investment opportunities may be pursued provided they are considered appropriate in terms of the overall investment objectives of the Scheme. Since the Scheme would invest only partially in foreign securities, there may not be readily available and widely accepted benchmarks to measure performance of the Scheme. To manage risks associated with foreign currency and interest rate exposure, the Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI / RBI from time to time.

Currency Risk: To the extent that the assets of the Scheme will be invested in foreign securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital to India may also be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment.

Regulatory Limit Risk - The Scheme's investments in overseas securities is subject to the regulatory limits applicable for overseas investments as prescribed by RBI/SEBI from time to time and as per the regulations prevailing in the overseas jurisdiction where investments are made/intended to be made. In this regard, overseas investments will be halted, if such limit is breached either at the mutual fund level or at mutual fund industry level.

#### Risks associated with investments in Fixed Income Securities

**Interest-Rate Risk**: Fixed income securities such as government bonds, corporate bonds, money market instruments and derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase.

The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

**Re-investment Risk**: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

**Basis Risk**: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

**Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

**Liquidity Risk**: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

**Liquidity Risk on account of unlisted securities**: The liquidity and valuation of the Schemes' investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

**Credit Risk**: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no

default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

**Settlement Risk**: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

#### Risk associated with Securitized Debt:

The Scheme may invest in domestic securitized debt such as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.

At present in Indian market, following types of loans are securitized:

- 1. Auto Loans (cars / commercial vehicles /two wheelers)
- 2. Residential Mortgages or Housing Loans
- 3. Consumer Durable Loans
- 4. Personal Loans
- 5. Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. A corporate loan/receivable, depend upon the nature of the underlying security for the loan or the nature of the receivable and the risks correspondingly fluctuate.

Prepayment Risk: This arises when the borrower pays off the loan sooner than expected. When interest rates decline, borrowers tend to pay off high interest loans with money borrowed at a lower interest rate, which shortens the average maturity of ABS. However, there is some prepayment risk even if interest rates rise, such as when an owner pays off a mortgage when the house is sold or an auto loan is paid off when the car is sold.

Reinvestment Risk: Since prepayment risk increases when interest rates decline, this also introduces reinvestment risk, which is the risk that the principal can only be reinvested at a lower rate.

## Risks associated with Investing in Structured Obligation (SO) & Credit Enhancement (CE) rated securities

The risks factors stated below for the Structured Obligations & Credit Enhancement are in addition to the risk factors associated with debt instruments.

-Credit rating agencies assign CE rating to an instrument based on any identifiable credit enhancement for the debt instrument issued by an issuer. The credit enhancement could be in various forms and could include guarantee, shortfall undertaking, letter of comfort, etc. from another entity. This entity could be either related or non-related to the issuer like a bank, financial institution, etc. Credit enhancement could include additional security in form of pledge of shares listed on stock exchanges, etc. SO transactions are asset backed/mortgage backed securities, securitized paper backed by hypothecation of car loan receivables, securities backed by trade receivables, credit card receivables etc. Hence, for CE rated instruments evaluation of the credit enhancement provider, as well as the issuer is undertaken to determine the issuer rating. In case of SO rated issuer, the underlying loan pools or securitization, etc. is assessed to arrive at rating for the issuer.

Liquidity Risk: SO rated securities are often complex structures, with a variety of credit enhancements.

Debt securities lack a well-developed secondary market in India, and due to the credit enhanced nature of CE securities as well as structured nature of SO securities, the liquidity in the market for these instruments is adversely affected compared to similar rated debt instruments. Hence, lower liquidity of such instruments,

could lead to inability of the scheme to sell such debt instruments and generate liquidity for the scheme or higher impact cost when such instruments are sold.

**Credit Risk**: The credit risk of debt instruments which are CE rated derives rating based on the combined strength of the issuer as well as the structure. Hence, any weakness in either the issuer or the structure could have an adverse credit impact on the debt instrument. The weakness in structure could arise due to inability of the investors to enforce the structure due to issues such as legal risk, inability to sell the underlying collateral or enforce guarantee, etc. In case of SO transactions, co-mingling risk and risk of servicer increases the overall risk for the securitized debt or assets backed transactions.

Therefore, apart from issuer level credit risk such debt instruments are also susceptible to structure related credit risk.

#### Risks associated with investments in Derivatives

- The Scheme may invest in derivative products in accordance with and to the extent permitted under the Regulations and by RBI. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Trading in derivatives carries a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have an impact on their value and consequently, on the NAV of the Units of the Scheme.
- The derivatives market in India is nascent and does not have the volumes that may be seen in other developed markets, which may result in volatility to the values.
- Investment in derivatives also requires the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. Even a small price movement in the underlying security could have an impact on their value and consequently, on the NAV of the Units of the Scheme.
- The Scheme may face execution risk, whereby the rates seen on the screen may not be the rate at which the ultimate execution of the derivative transaction takes place.
- The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.
- The options buyer's risk is limited to the premium paid, while the risk of an options writer is unlimited. However the gains of an options writer are limited to the premiums earned.
- The exchange may impose restrictions on exercise of options and may also restrict the exercise of options at certain times in specified circumstances and this could impact the value of the portfolio. The writer of a call option bears a risk of loss if the value of the underlying asset increases above the exercise price.
- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks. The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.
- The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets.
- There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The counter party may default on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counterparty at the then prevailing (possibly unfavourable) market price.
- Derivatives also carry a market liquidity risk where the derivatives cannot be sold (unwound) at prices that reflect the underlying assets, rates and indices.
- Where derivatives are used for hedging, such use may involve a basis risk where the instrument used as a hedge does not match the movement in the instrument/underlying asset being hedged. The risk may be interrelated also e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.

- Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- •Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor / unitholder. Execution of investment strategies depends upon the ability of the fund manager(s) to identify such opportunities which may not be available at all times. Identification and execution of the strategies to be pursued by the fund manager(s) involve uncertainty and decision of fund manager(s) may not always be profitable. No assurance can be given that the fund manager(s) will be able to identify or execute such strategies.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

The following are certain additional risks involved with use of fixed income derivatives: Interest rate risk:

Derivatives carry the risk of adverse changes in the price due to change in interest rates.

Liquidity risk: During the life of the derivative, the benchmark might become illiquid and might not be fully capturing the interest rate changes in the market, or the selling, unwinding prices might not reflect the underlying assets, rates and indices, leading to loss of value of the portfolio.

#### Risks associated with Covered Call Strategy

The risk associated with covered calls is the loss of upside, i.e. if the shares are assigned (called away), the option seller forgoes any share price appreciation above the option strike price.

The Scheme may write covered call option only in case it has adequate number of underlying equity shares as per regulatory requirement. This would lead to setting aside a portion of investment in underlying equity shares. If covered call options are sold to the maximum extent allowed by regulatory authority, the scheme may not be able to sell the underlying equity shares immediately if the view changes to sell and exit the stock. The covered call options need to be unwound before the stock positions can be liquidated. This may lead to a loss of opportunity, or can cause exit issues if the strike price at which the call option contracts have been written become illiquid. Hence, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity.

The writing of covered call option would lead to loss of opportunity due to appreciation in value of the underlying equity shares. Hence, when the appreciation in equity share price is more than the option premium received the scheme would be at a loss. The total gross exposure related to option premium paid and received must not exceed the regulatory limits of the net assets of the scheme. This may restrict the ability of Scheme to buy any options.

#### Risks associated with Repo transactions in Corporate Bonds

The Scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk is further mitigated through over-collateralization (the value of the collateral being more than the repo amount).

#### Risks associated with segregated portfolio

- 1. Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer.
- 2. Security comprises of segregated portfolio may not realise any value.
- 3. Listing of units of segregated portfolio on recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

#### Risks associated with Securities Lending

Securities Lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.

#### Risk Factors associated with Credit Default Swap

Credit Risks- Couter party default creates a considerable risk in swap agreements. Parties may default on payment obligations.

Market Risks- CDS can be highly volatile in value, shifting with the underlying credit quality or general market conditions and could realise significant losses.

The Indian CDS market is still in its growing stage and lacks proper depth.

#### Risk Factors Associated with Investments in REITs and InvITS

- Market Risk: REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager's will do the necessary due diligence but actual market movements may be at variance with the anticipated trends.
- Liquidity Risk: As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.
- Reinvestment Risk: Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- Regulatory/Legal Risk : REITs and InvITs being new asset classes, rights of unit holders such as right to information etc may differ from existing capital market asset classes under Indian Law.

The above are some of the common risks associated with investments in REITs & InvITs. Investment results may vary substantially on a monthly, quarterly or annual basis.

#### Risks associated with investment in units of mutual fund

Investment in Mutual Fund Units involves investment risks, including but not limited to risks such as liquidity risk, volatility risk, default risk including the possible loss of principal.

- Liquidity risk The liquidity of the scheme's investments is inherently restricted by trading volumes and settlement periods. In the event of an inordinately large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the right to limit redemptions will be in accordance with SEBI mandated process.
- Volatility risks: There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The scheme will manage volatility risk through diversification across companies and sectors.
- Default risk Credit risk is risk resulting from uncertainty in counterparty's ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest. Government Securities have zero credit risk while other debt instruments are rated according to the issuer's ability to meet the obligations.

#### Risk Associated with investment in Instruments having Special Features:

Credit Risk/Principal at risk: The issuer has the option to write off the principal in times of severe financial stress. Since these bonds are unsecured investor will have any recourse to recover money in case issuer write off the principal. Such bonds may get converted into equity on happening of certain pre-defined event.

Central Bank may instruct issuer of the bonds to write down the entire value of its outstanding AT1 bonds, if it thinks the bank has passed the Point of Non Viability (PONV), or requires a capital infusion to remain a going concern.

Also, issuer may not pay interest under certain circumstances. Such interest can not be recovered in future also.

Interest Rate Risk: where there is no defined maturity, it may yield lower interest especially when the interest rates are rising.

Liquidity Risk: There is no surety that bond holder will get your principal back on the call date as the issuer may choose to extend the tenure of bonds at a future date. Bond holder has the option of selling these bonds in the secondary market but bond holder may have to exit at a loss as the bond's price may differ from the cost price. Also, some of these are bonds are thinly traded, which means there are limited buyers.

#### Risk factors associated with investment in unrated securities:

The scheme may invest in unrated securities as permitted under regulation. Investment in unrated securities involve a risk of default or decline in market value higher than rated instruments due to adverse economic and issuer-specific developments. Such investments display increased price sensitivity to changing interest rates and to a deteriorating economic environment. The market values for unrated investments tends to be more volatile and such securities tend to be less liquid than rated debt securities.

#### Risk factors associated with investment in Tri-Party Repo:

The mutual fund is a member of securities segment and Triparty Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). As per the waterfall mechanism, after the defaulter's margins and the defaulter's contribution to the default fund have been appropriated, CCIL's contribution is used to meet the losses. Post utilization of CCIL's contribution if there is a residual loss, it is appropriated from the default fund contributions of the non-defaulting members. Thus the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement obligations. In addition, the fund contribution is allowed to be used to meet the residual loss in case of default by the other clearing member (the defaulting member). CCIL shall maintain two separate Default Funds in respect of its Securities Segment, one with a view to meet losses arising out of any default by its members from outright and repo trades and the other for meeting losses arising out of any default by its members from Triparty Repo trades. The mutual fund is exposed to the extent of its contribution to the default fund of CCIL, in the event that the contribution of the mutual fund is called upon to absorb settlement/ default losses of another member by CCIL, as a result the scheme may lose an amount equivalent to its contribution to the default fund.

#### Risk associated with potential change in Tax structure

This summary of tax implications given in the taxation section is based on the current provisions of the applicable tax laws. This information is provided for general purpose only. The current taxation laws may change due to change in the 'Income Tax Act 1961' or any subsequent changes/amendments in Finance Act/Rules/Regulations. Any change may entail a higher outgo to the scheme or to the investors by way of securities transaction taxes, fees, taxes etc. thus adversely impacting the scheme and its returns.

#### Risk Mitigation Measures:

Type of Instruments	Mitigation Measures
Equity Markets/ Equity Oriented Instruments	The scheme will comply with the prescribed SEBI limits on exposure. Risk will be monitored, and necessary action would be taken on the portfolio, if required. Attribution analysis will be done to monitor the under or over performance vis-a-vis the benchmark and the reasons for the same.
	Portfolio volatility & concentration The overall volatility of the portfolio would be maintained in line with the objective of the scheme Volatility would be monitored with respect to the benchmark.
	Liquidity The scheme will predominantly invest across market capitalisation which are actively traded and thereby liquid. The liquidity would be monitored, and necessary action would be taken on the portfolio if required. Stock turnover is monitored at regular intervals.

Debt and Money Market instruments	Interest Rate Risk: The scheme would typically have a low to medium duration portfolio. The scheme may take positions in interest rate derivatives to hedge market/interest rate risks.
	Credit risk or default risk: The Fund will endeavour to minimise Credit/Default risk by primarily investing in investment grade fixed income securities rated by SEBI registered credit rating agencies. These securities carry relatively lower possibility of a default. Historical default rates for investment grade securities (BBB and above) have been low.
	Reinvestment Risk: Reinvestment risks will be limited to the extent of coupons received on debt instruments, which will be a very small portion of the portfolio value.
	Liquidity or Marketability Risk: The fund will endeavour to minimise liquidity risk by investing in securities having a liquid market.
Overseas Securities	The Scheme may, where necessary, appoint other intermediaries of repute as advisors, custodian/sub-custodians etc. for managing and administering such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses.
	Currency Risk: The Scheme shall, subject to applicable regulations, have the option (there is no obligation) to enter into forward contracts for the purpose of hedging against the foreign exchange fluctuations. The Scheme may employ various measures (as permitted by SEBI/RBI) including but not restricted to currency hedging (such as currency options and forward currency exchange contracts, currency futures, written call options and purchased put options on currencies and currency swaps), to manage foreign exchange movements arising out of investment in foreign securities.
	Country Risk: Investment universe will be carefully selected to include sound quality businesses.
Derivatives	The Scheme may invest in derivative for the purpose of hedging, portfolio balancing and other purposes as may be permitted under the Regulations. Equity Derivatives will be used in the form of Index Options, Index Futures, Stock Options and Stock Futures and other instruments as may be permitted by SEBI.  Debt derivatives will be undertaken as permissible under the SEBI Mutual Fund Regulations. Derivatives can be either exchange traded or can be over the counter (OTC).
	The Scheme may buy CDS only for the purpose of hedging the credit risk on debt securities.
	Exposure with respect to derivatives shall be in line with regulatory limits and the limits specified in the SID.
Securities Lending	The SLB shall be operated through Clearing Corporation/Clearing House of stock exchanges having nation-wide terminals who are registered as Approved Intermediaries (AIs)." The risk is adequately covered as Securities Lending & Borrowing (SLB) is an Exchange traded product. Exchange offers an anonymous trading platform and gives the players the advantage of settlement guarantee without the worries of counter party default. The fund

	manager will endeavor to recall the securities in case lent securities are to be sold
Repo Transactions	The choice of counterparties is largely restricted and their credit rating is taken into account before entering into such transactions. In the event the counterparty is unable to pay back the money to the scheme as contracted on maturity, the scheme may dispose of the assets (as they have sufficient margin) and the net proceeds may be refunded to the counterparty.
Units of REITs and InvITS	The Scheme will comply with the prescribed SEBI limits on exposure. The scheme will endeavour to invest in liquid REITs & InvITs.
Instruments having Special Features	Investment may be done in Additional Tier I bonds and Tier 2 bonds issued under Basel III framework as permitted under SEBI Mutual Fund Regulations.
Structured Obligation (SO) & Credit Enhancement (CE) rated securities	Scheme wise investments as prescribed by the regulations limits the exposure to such securities. Additionally, covenants of such structured papers are reviewed periodically for adequate maintenance of covers as prescribed in the Information Memorandum of such papers.
Unlisted NCD's & Unrated Securities	The scheme may invest in Unlisted NCDs and unrated securities(BRDS, Usance Bills etc) as permitted under the Regulation.
Government securities and Triparty repo on Government securities or treasury bills:	As a member of securities segment and Triparty repo segment, maintenance of sufficient margin is a mandatory requirement. CCIL monitors these on a real time basis and requests the participants to provide sufficient margin to enable the trades etc. Also there are stringent conditions / requirements before registering any participants by CCIL in these segments. Since settlement is guaranteed the loss on this account could be minimal though there could be an opportunity loss.
Units of mutual fund schemes	Mutual Fund portfolios are generally well diversified and typically endeavor to provide liquidly on a T+1/T+2 basis.

#### **Plans/Options**

The Scheme offers two plans:

- a) Direct Plan
- b) Regular Plan

Each of the Plans offer the following option:

a) Growth Option

The default plan is "Direct Plan", in case the broker code is not stated on the application.

Application with broker code will be processed under Regular plan only.

Default scenarios available to the Investors under the Plans of the Scheme:

Scenario	Broker Code mentioned by the Investor	Plan mentioned by the Investor	Default Plan to be captured
1	Not Mentioned	Not Mentioned	Direct Plan
2	Not Mentioned	Direct Plan	Direct Plan
3	Not Mentioned	Regular Plan	Direct Plan
4	Mentioned	Direct Plan	Direct Plan
5	Direct Plan	Not Mentioned	Direct Plan
6	Direct Plan	Regular Plan	Direct Plan
7	Mentioned	Regular Plan	Regular Plan
8	Mentioned	Not Mentioned	Regular Plan

In cases of wrong / incomplete ARN codes mentioned on the application form, the application shall be processed under Direct Plan. The AMC shall endeavour on best effort basis to obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor. In case the correct code is received within 30 calendar days, the AMC shall reprocess the transaction under Regular Plan from the date of application without any exit load.

The Scheme will have a common portfolio across various Plans/Options. The NAVs of the Growth Option under both plans will be different and declared separately.

Treatment of Transactions received with invalid ARNs in view of AMFI Best Practices Guidelines Circular No.111 /2023-24 dated Feb 02, 2024:

Guidelines for Processing of transactions received under Regular Plan with invalid ARN

Transactions received in Regular Plan with Invalid ARN to be processed in Direct Plan of the same Scheme (even if reported in Regular Plan), applying the below logic:

Transaction	Primar	y ARN		Sub		EUIN*	Execution	Regular
Type				Distrib	utor		only	Plan/
				ARN			mentioned	Direct
								Plan
	Valid	Invalid	Empaneled	Valid	Invalid	Valid	Yes	
Lumpsum/	Y		Y				Y	Regular
Registra	Y		N		Not A	Applicable	e	Direct
tion	Y		Y	N. A	N. A	N. A	N	Regular*
	Y		Y	Y		Y		Regular
		Y						Direct
	Y		Y	Y			Y	Regular
	Y		Y		Y			Direct
Trigger	Y				Not A	Applicable	2	Regular
					Not A	Applicable	e	Direct

#### Note:

- 1) \*If the EUIN is invalid/missing, the transactions shall be processed in Regular plan, and the distributor/investor shall be given 30 day period from the date of the transaction for remediation of the EUIN. In such cases, the investor to be advised to either provide a different EUIN linked to the ARN who would be engaged in servicing the investor OR switch to Direct Plan. The commission shall not be paid to the ARN holder if the Switch transaction does not happen, or fresh EUIN is not provided within 30 days. The commission may be paid if the fresh EUIN is provided by client within 30 days.
- 2) For SIP & STP facilities, the ARN validity shall be verified / validated at the time of registration. For instances where the registration details not available in RTA records the transaction shall be treated as lumpsum purchase for validations. Distributors must reconcile the active / inactive SIPs with RTA's at regular intervals.
- 3) SIPs registered under ARN of deceased to continue till end of SIP registration period or investor's request as per AMFI guidelines; No fresh transactions or SIPs to be booked under the ARN of deceased MFD post cancellation of ARN at AMFI.
- 4) Only Sub-distributor's ARN with valid "ARN-" values in the transaction will be considered for validation of Sub- distributor ARN for all types of transactions (lumpsum/SIP/STP).
- 5) If the ARN is invalid as on date of SIP / STP registration, such registration and future transactions thereunder will be processed under DIRECT plan.

6) Transactions other than the physical mode which are found to be not in order basis above matrix, will be rejected at the time of upload / submission for following reasons: To give opportunity for the intermediary / platform to rectify details before submitting transactions or to report transactions as DIRECT.

If these transactions are accepted and processed as DIRECT, the intermediary placing the transaction will not be receiving reverse feeds and hence will not be able to reconcile.

Since the validation cannot be carried out at the time of acceptance or transactions received in physical form, , the same will be done at the time of processing the transaction, and if found to be invalid, the transaction will be processed under DIRECT.

- 7) Transactions received from the stock exchange platforms in Demat mode with invalid ARN shall be rejected instead of processing in Direct Plan for following reasons –
- a) Settlement of units will fail at clearing corporation due to mismatch of ISIN.
- b) If the RTA processes the transaction in DIRECT Plan, the AMC will face issues with corporate action wherein the clearing corporation will not be able to reconcile and credit the units.
- c) The distributor/broker will not be able to download the reverse feed/mail back report for the transactions reported by the respective distributor in case if we process under Direct Plan.

For detailed disclosure on default plans and options, kindly refer SAI.

# Applicable NAV (after the scheme opens for subscriptions and redemptions)

Cut off timing for subscriptions/ redemptions/ switches on Ongoing basis post NFO:

In case of Subscription/Switch-in for any amount (duly time stamped): Cut off timing 3.00 p.m.

Valid applications received upto 3.00 p.m. and where the funds for the entire amount are available for utilization before the cut-off time i.e. credited to the bank account of the scheme before the cut-off time.	The closing NAV of the same day
Valid applications received after 3.00 p.m. and where the funds for the entire amount are credited to the bank account of the scheme either on the same day or before the cut-off time of the next Business Day i.e. available for utilization before the cut-off time of the next Business Day.	The closing NAV of the next Business Day.
Valid applications received upto 3.00 p.m. and where the funds for the entire amount are credited to the bank account of the scheme after the cut-off time on the same day i.e. available for utilization after the cut-off time of the Day.	The closing NAV of the next Business Day.
Where the application is time stamped any day before the credit of the funds to the scheme but the funds for the entire amount are credited to the bank account of the scheme before the cut-off time on any subsequent Business Day i.e. available for utilization before the cut-off time on that Business Day.	The closing NAV of such subsequent Business Day on which funds are available for utilisation.

Realisation of funds means funds available to the AMC Scheme and not date and time of debit from Investor's account.

In case application is time stamped after cut off timing on any day, the same will be considered as deemed to be received on the next business day.

In case funds are realised after cut-off timing on any day, the same will be considered as deemed to be realised / available for utilisation on the next business day.

In case of investments through Systematic Investment Plan (SIP), Systematic Transfer Plans (STP), Other methods as may be offered by the AMC, Trigger etc. the units would be allotted as per the closing NAV of the day on which the funds are available for utilization irrespective of the instalment date of the SIP, STP, etc.

Since different payment modes have different settlement cycles including electronic transactions (as per arrangements with Payment Aggregators/Banks/Exchanges etc), it may happen that the investor's account is debited, but the money is not credited within cut-off time on the same date to the Scheme's bank account, leading to a gap/delay in Unit allotment. Investors are therefore urged to use the most efficient electronic payment modes to avoid delays in realization of funds and consequently in Unit allotment.

Redemptions including switch-outs:

In respect of valid applications received upto 3.00 pm on a Business Day by the Mutual Fund, same day's closing NAV shall be applicable. In respect of valid applications received after the cut off time by the Mutual Fund, the closing NAV of the next Business Day shall be applicable.

Outstation cheques/demand drafts will not be accepted.

"Switch out" shall be treated as redemption and for "switch in" shall be treated as purchases and the relevant conditions for applicable NAV for subscription and redemption would be considered for switch in and switch out transactions.

\*Direct Plan under the Scheme shall have a lower expense ratio than Regular Plan, excluding distribution expenses, commission, etc., and no commission shall be paid from Direct Plan. All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in a Regular Plan.

<sup>1</sup>Investor Education and Awareness initiatives: As per clause 10.1.16 of Master Circular, the AMC shall annually set apart 2 basis points p.a. (i.e. 0.02% p.a.) on daily net assets of the Plan(s) under the Scheme within the limits of total expenses prescribed under Regulation 52 of SEBI (MF) Regulations for investor education and awareness initiatives undertaken.

\$ The Trusteeship fees as per the provisions of clause 27.1 of the Trust Deed shall be charged at 0.025% per annum on the daily net assets of the funds subject to a maximum of Rs. 40,00,000 per annum at Mutual Fund level. It has been decided by the Trustee to charge the Trusteeship Fees in proportion to the net assets of each of the Scheme of the Mutual Fund on a quarterly basis. Such fee shall be paid to the Trustees within fifteen days from the end of each quarter every year, namely, within 15 days from June 30, September 30, December 31 and March 31 of each year. The Trustees may charge expenses as permitted from time to time under the Trust Deed and SEBI (MF) Regulations. The Trustee reserves the right to change the method of allocation of Trusteeship fees for the Scheme, from time to time.

#### Additional Expenses under Regulation 52 (6A):

(i) Brokerage and transaction cost incurred for the purpose of execution of trade shall be charged to the schemes as provided under Regulation 52 (6A) (a) upto 12 bps and 5 bps for cash market transactions and derivatives transactions (if permitted under the scheme) respectively. Any payment towards brokerage and transaction costs, over and above the said 12 bps and 5 bps may be charged to the scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52.

(ii) To improve the geographical reach of the Scheme in smaller cities / towns as may be specified by SEBI from time to time, expenses not exceeding 0.30% p.a. of daily net assets, if the new inflows from retail investors from such cities are at least (a) 30% of gross new inflows in the Scheme or (b) 15% of the average assets under management (year to date) of the Scheme, whichever is higher. In case inflows from retail investors from such cities are less than the higher of (a) or (b) above, such expenses on daily net assets of the Scheme shall be charged in accordance with clause 10.1.3 of Master Circular.

The amount so charged shall be utilised for distribution expenses incurred for bringing inflows from retail investors from such cities. However, the amount incurred as expense on account of inflows from retail investors from such cities shall be credited back to the Scheme in case the said inflows are redeemed within a period of one year from the date of investment.

Currently, SEBI has specified that the above additional expense may be charged for inflows from retail investors from beyond 'Top 30 cities'. Top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography - Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year. Inflows from "retail investors" shall mean inflows of amount upto Rs 2 lakhs per day, from individual investors.

Note: SEBI vide its letter no. SEBI/HO/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023 and AMFI letter dated No. 35P/ MEM-COR/ 85-a/ 2022-23 dated March 02, 2023 has directed AMCs to keep B-30 incentive structure in abeyance with effect from March 01, 2023 till further notice. Accordingly, the B-30 incentive structure shall be implemented as per SEBI / AMFI directions from time to time.

Expenses not exceeding 0.05% p.a. of daily net assets towards Investment Management and Advisory Fees and the various sub-heads of recurring expenses mentioned under Regulation 52 (2) and (4) respectively of SEBI (MF) Regulations.

All scheme related expenses including commission paid to distributors, if any, by whatever name it may be called and in whatever manner it may be paid, shall necessarily paid from the scheme only within the regulatory limits and not from the books of AMC, its associate, sponsor, trustees or any other entity through any route in terms of SEBI circulars, subject to the clarifications provided by SEBI to AMFI vide letter dated February 21, 2019 as amended from time to time on implementation of clause 10.1.12 of Master Circular on Total Expense Ratio (TER) and performance disclosure for Mutual Fund.

The total expenses charged to the Scheme shall not exceed the limits stated in Regulation 52 of the SEBI (MF) Regulations and as permitted under SEBI Circulars issued from time to time.

The mutual fund would update the current expense ratios on the website (www.unifimf.com) at least three working days prior to the effective date of the change and update the TER under the tab 'TER' on the website.

The total expense ratios of the schemes of the Fund are available in downloadable spreadsheet format on the AMC website and AMFI website. Any change in the expense ratios will be updated at least three working days prior to the effective date of the change. For the current total expense ratio details of the Scheme, investors may <a href="https://unifimf.com/ter/">https://unifimf.com/ter/</a> as well as AMFI's website viz., www.amfiindia.com.

#### $^{2}$ **GST**:

As per clause 10.3 of the Master Circular, GST shall be charged as follows:

- 1. GST on investment management and advisory fees shall be charged to the Scheme in addition to the maximum limit of TER as prescribed in Regulation 52 (6) of the SEBI (MF) Regulations.
- 2. GST on other than investment management and advisory fees, if any, shall be borne by the Scheme within the maximum limit of TER as prescribed in Regulation 52 (6) of the SEBI (MF) Regulations.
- 3. GST on exit load, if any, shall be paid out of the exit load proceeds and exit load net of GST, if any, shall be credited to the Scheme.
- 4. GST on brokerage and transaction cost paid for execution of trade, if any, shall be within the limit prescribed under Regulation 52 of the SEBI (MF) Regulations.

<sup>3</sup>There shall be no internal sub-limits within the expense ratio for expense heads mentioned under Regulation 52 (2) and (4) viz. Investment Management and Advisory Fees and various sub-heads of recurring expenses respectively.

\*As per Para 10.1.7 of SEBI Master Circular on Mutual Funds dated June 27, 2024, schemes wherein exit load is not levied, the AMC shall not be eligible to charge the above-mentioned additional expenses for such scheme.

#### **Illustration:**

#### Impact of Expense Ratio on Scheme's return:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets. To further illustrate the above in rupees terms, for the Scheme under reference, suppose an Investor invested Rs. 10,000/- (after deduction of stamp duty and transaction charges, if any) the impact of expenses charged will be as under:

Particulars	Regular Plan	Direct Plan
Amount invested at the	10,000	10,000
beginning of the year (Rs.)		
Returns before expenses (Rs.)	1500	1,500
Expenses other than	150	150
Distribution expenses (Rs.)		
Distribution expenses (Rs.)	50	
Returns after expenses at the	1300	1350
end of the year(Rs.)		
Returns (in %)	13%	13.5%

#### *Note(s):*

- The purpose of the above illustration is purely to explain the impact of expense ratio charged under the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year.
- The expenses of the Direct Plan under the Scheme will be lower to the extent of the distribution expenses/commission.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to seek appropriate advice.

#### **TER for the Segregated Portfolio**

- 1. AMC shall not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.
- 2. The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.
- 3. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
- 4. The costs related to segregated portfolio shall in no case be charged to the main portfolio.

#### Tax treatment for the Investors (Unitholders)

Investor will be advised to refer to the details in the Statement of Additional Information and also independently refer to his tax advisor.

#### Capital Gains: For Equity Oriented Funds:

Long Term (period of holding more than 12 months*) – for transfers taking place on or after 23 July 2024	12.5% without indexation (Exceeding Rs. 1.25 lakhs)+ applicable Surcharge + 4% Cess	indexation and	Nil
Short Term (period of holding less than or equal to 12 months) – for transfers taking place on or after 23 July 2024	20% + applicable Surcharge + 4% Cess	20% + applicable Surcharge + 4% Cess	Nil

<sup>\*</sup>Aggregate long term capital gains exceeding one lakh twenty-five thousand rupees in a financial year, arising from the transfer of units of an 'equity oriented fund', equity shares and units of business trust are chargeable to tax at 12.5 per cent (plus the applicable surcharge, health and education cess).

Under Income Tax Act' 1961 an equity oriented fund is defined as a fund whose inventible funds are invested in equity shares of domestic companies to the extent of more than 65% of the total proceeds of such fund. The percentage of equity share holding of the fund shall be computed with reference to the annual average of the monthly average of the opening and closing figures.

Securities Transaction Tax ("STT") is applicable on transactions of purchase or sale of units of an equity-oriented fund entered into on a recognized stock exchange or on sale of units of equity-oriented fund to the Fund.

#### **Securities Transaction Tax**

Chapter VII of Finance (No.2) Act, 2004 lays down the provisions pertaining to Securities Transaction Tax. Section 100 of the Finance (No. 2) Act, 2004 which provides for collection and recovery of Securities Transaction Tax, states that every recognized stock exchange shall collect the said Securities Transaction Tax from the purchaser or seller, as per the rates specified in Section 98 of the Finance (No.2) Act, 2004 and deposit the same to the Government.

In the case of a Mutual fund, the aforesaid Section provides that the Securities Transaction Tax shall be collected by the 'person responsible' which is defined in Rule 5 of the Securities Transaction Tax Rules,2004 to mean a trustee of the fund or any person who manages the affairs of the fund. Thus, on a combined reading of Section 100 with Rule 5, Securities Transaction Tax in a mutual fund is collected by the person responsible and paid to the credit of the Central Government by the 7<sup>th</sup> day of the month immediately following the calendar month.

The taxable Securities Transactions have been provided for, under Section 98 of the Finance (No.2) Act, 2024.

Sr. No.	Taxable Securities Transaction	Rate	Value	Payable by
1.	Purchase of units of equity oriented mutual fund (delivery based) on recognized stock exchange	Nil	Not Applicable	Not Applicable

2.	Sale of units of equity oriented mutual fund (delivery based) on recognized stock exchange	0.001per cent	Value at which units are sold	Seller
3.	Sale of units of equity oriented mutual fund (non-delivery based)	0.025per cent	Value at which the shares/units are sold	Seller
4.	Sale of a unit of an equity-oriented fund to the Mutual Fund	0.001per cent	Value at which units are sold	Seller

#### Withholding tax applicability in case of inoperative PAN

As per section 139AA of the Income-tax Act, 1961, 1961Income-tax Act, 1961 read with rule 114AAA of the Income-tax Rules, 1962, in the case of a resident person, whose PAN has become inoperative due to non-linking of PAN with Aadhaar, it shall be deemed that he has not furnished the PAN and tax could be withheld at a higher rate of 20% as per section 206AA of Income-tax Act, 1961. For linking PAN with Aadhaar, fees of Rs. 1,000 has been prescribed.

#### Withholding tax applicability on payments to non-filers of return

As per section 206AB of Income-tax Act, 1961, tax to be deducted at twice the applicable rate in case of payments to specified person (except non-resident not having permanent establishment in India or person who is not required to furnish the return of income as notified by the Central Government) who has not furnished the return of income for the assessment year relevant to previous year immediately preceding the financial year in which tax is required to be deducted:

- For which time limit for filing return has expired; and
- The aggregate of tax deducted at source or tax collected at source in his case is Rs. 50,000 or more in the said previous year.

Additionally, if provisions of section 206AA are also applicable then tax to be deducted at higher of the two rates provided i.e. rate as per section 206AB or section 206AA.

The commission as specified in the aforesaid circular, if any, on investment made by the investor shall be paid by the investor directly to the Distributor, based on his assessment of various factors including the service rendered by the Distributor.

g)The distributor shall disclose all commissions (in the form of trail commission or any other mode) payable to them for the different competing Schemes of various Mutual Funds from amongst which the Scheme is being

#### 1. DISTRIBUTOR INFORMATION

a. Upfront commission shall be paid directly by the investor to the AMFI registered Distributors based on the investors' assessment of various factors including the service rendered by the distributor.

b. Please mention 'DIRECT' in case the application is not routed through any one distributor.

c. Pursuant to SEBI circular dated September 13, 2012, mutual funds have created a unique identity number of the employee/ relationship manager/ salesperson of the distributor interacting with the investor for the sale of mutual fund products, in addition to the AMFI Registration Number (ARN) of the distributor. This Employee Unique Identification Number is referred as "EUIN". EUIN aims to assist in tackling the problem of mis-selling even if the employee/relationship manager/salesperson leaves the employment of the distributor or his/her sub broker. Quoting of EUIN is mandatory in case of advisory transactions.

d. Distributors are advised to ensure that the sub broker affixes his/her ARN code in the column "Sub broker ARN code" separately provided, in addition to the current practice of affixing the internal code issued by the main ARN holder in the "Sub broker code (as allotted by ARN holder)" column and the EUIN of the Sales Person (if any) in the "EUIN" column.

e. Distributors are advised to ensure that they fill in the RIA code, in case they are a Registered Investment Advisor.

f. Investors are requested to note that EUIN is applicable for transactions such as Purchases, Switches, Registrations of SIP / STP and EUIN is not applicable for transactions such as Instalments under SIP/ STP / SWP / Reinvestments, Redemption, SWP Registration.

g. EUIN will not be applicable for overseas distributors who comply with the requirements as per AMFI circular CIR/ARN-14/12-13 dated July 13, 2012.

h. Please tick the box provided for EUIN declaration in this section in case the ARN is mentioned in the distributor section and the EUIN is left blank.

#### 2. MODE OF OPERATION (Section I)

Please select mode of Operations, if option left blank then default option of jointly will be considered for more than one applicant

#### 3. PERSONAL INFORMATION (Section II)

a. Please furnish names of all applicants. The name of the Sole /First Applicant should be mentioned in the same manner in which it appears in the Income Tax Database. Please note the following:

f. Unifi Mutual Fund has decided to restrict subscriptions from United States persons (U.S. person) as defined under the extant laws of the United States of America and Residents of Canada in the schemes of Unifi Mutual Fund, any individual who is a foreign national or any entity that is not an Indian Resident under the Foreign Exchange Management Act, 1999, except where registered with SEBI as an FPI, Non-Resident Indians residing in the Financial Action Task Force (FATF) Non-Compliant Countries and Territories (NCCTs) & Overseas Corporate Bodies.

g. KYC Requirements and Details: Please furnish PAN & KYC details for each applicant/unit holder, including the Guardian and/or Power of Attorney (POA) holders as explained in the below points.

• PAN It is mandatory for all investors (including guardians, joint holders, NRIs and power of attorney holders) to provide their Income Tax Permanent Account Number (PAN) and also submit a photocopy of the PAN card at the time of purchase of Units except for investors who are exempted from PAN requirement, please refer to KYC Form for exemption of PAN requirement.

• KNOW YOUR CUSTOMER (KYC) Individual client who has registered under Central KYC Records Registry (CKYCR) has to fill the 14-digit KYC Identification Number (KIN) in application form as per AMFI circular 135/BP/68/2016-17. To download Common KYC Application Form, please visit our website www.unifimf.com

Operationalisation of Central KYC Records Registry (CKYCR) Central Registry of Securitisation and Asset Reconstruction and Security interest of India 'CERSAI') has been authorised by Government of India to act as Central KYC Records Registry under Prevention of Money-Laundering (Maintenance of Records) Rules, 2005 ('PMLA Rules'). SEBI vide its circular ref. no. CIR/MIRSD/66/2016 dated July 21, 2016 and circular ref. no. CIR/MIRSD/120/2016 dated November 10, 2016 has prescribed that the Mutual Fund/ AMC should capture KYC information for

sharing with CKYCR as per the KYC template prescribed by CERSAI. In accordance with the aforesaid SEBI circulars and AMFI best practice guidelines for implementation of CKYC norms with effect from February 1, 2017:

a) Individual investors who have never done KYC process under KRA regime i.e. a new investor who is new to KRA system and whose KYC is not registered or verified in the KRA system shall be required to provide KYC details in the CKYC Form to the Mutual Fund/ AMC.

b) Individual investor who fills old KRA KYC Form, should provide additional / missing information using Supplementary KYC Form or fill CKYC Form

c) Details of investors shall be uploaded on the system of CKYCR and a 14 digit unique KYC identifier ('KIN') will be generated for such custome:

d) New investors, who have completed CKYC process & have obtained KIN may quote their KIN in the application form instead of submitting CKYC Form/ Supplementary KYC Form. e) AMC/ Mutual Fund shall use the KIN of the investor to download the KYC information from CKYCR system and update its records.

f) If the PAN of investor is not updated on CKYCR system, the investor should submit self certified copy of PAN card to the Mutual Fund/ AMC.

The CKYC Form and Supplementary KYC Form are available at Investor Service Centre (ISC) of Unifi Mutual Fund and on it's website www.unifimf.com.

The AMC reserves the right to reject transaction application in case the investor(s) fails to submit information and/or documentation as mentioned above. In the event of non compliance of KYC requirements, the Trustee /

AMC reserves the right to freeze the folio of the investor(s).

#### Micro Investment

With effect from October 30, 2012, where the aggregate of the lump sum investment (fresh purchase & additional purchase) and Micro SIP instalments by an investor in a financial year i.e April to March does not exceed Rs. 50,000/- it shall be exempt from the requirement of PAN. However, requirements of Know Your Customer (KYC) shall be mandatory.

Accordingly, investors seeking the above exemption for PAN still need to submit the KYC Acknowledgement, irrespective of the amount of investment. This exemption will be available only to Micro investment made by the individuals being Indian citizens (including NRIs, Joint holders, minors acting through guardian and sole proprietary firms). PIOs, HUFs, QFIs and other categories of investors will not be eligible for this exemption

a. Please note that all communication i.e. Account statement. Annual Report, News Letters will be sent via e-mail, if the e-mail id of the investor is provided in the application form. The Account statement will be encrypted with a password before sending the same to the registered email id. #### 8. INVESTMENT DETAILS (SECTION- VII)

The AMC has a separate plan for direct investments (i.e. investments not routed through an AMFI Registration Number (ARN) Holder ("Distributor") (hereinafter referred to as "Direct Plan").

- Direct Plan is only for investors who purchase /subscribe Units in a Scheme directly with the Fund and is not available for investors who route their investments through a Distributor
- Investors may please note that the Direct Plan under the Schemes is meant for investors who understand the capital market, mutual funds and the risks associated therewith. The risks associated with the investments in the Schemes vary depending upon the investment objective, asset allocation and investment strategy of the Schemes and the investments may not be suited for all categories of investors. The AMC believes that investors investing under the Direct Plan of the Schemes are aware of the investment objective, asset allocation, investment strategy, risks associated therewith and other features of the Schemes and has taken an informed investment decision. Please note that Scheme Information Document(s), Statement of Additional Information, Key Information Memorandum or any other advertisements and its contents are for information only and do not constitute any investment advice or solicitation or offer for sale of units of the Schemes from the AMC.
- All Options offered under the Schemes (hereinafter referred as "Regular Plan") will also be available for subscription under the Direct Plan.
- Investors subscribing under Direct Plan of the Schemes should indicate the Scheme/ Plan name in the application form as "Scheme Name Direct Plan" form for e.g. "Unifi Flexi Cap Fund Direct Plan". Investors should also indicate "Direct" in the ARN column of the application form.

However, in case Distributor code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan.

Applications will be processed as per the Guidelines for Processing of transactions received under Regular Plan with invalid ARN as detailed in SID/KIM.

- Please note investor needs to fill the Common Application Form and SIP Investment Form, if the investor needs to do a SIP investment.
- Payment may be made only by Cheque or Electronic Fund Transfer. Cheque should be drawn in favour of the "Scheme name" and crossed "Account Payee only".
   Please tick and fill in the appropriate section based on the Type of Investment i.e. LUMPSUM or SIP or LUMPSUM with SIP. Please fill SIP enrolment and OTM form.
- Third Party payment will not be accepted. In case of exceptions (as per AMFI Circular) to third party payment, please fill the 'Third Party Declaration Form.
- Third Party Payment" shall mean payment made through an instrument issued from an account other than that of the beneficiary investor. In case of payment instruments issued from a joint bank account, the first
- named applicant/investor must be one of the joint holders of the bank account from which the payment instrument is issued. 'Related person/s' means such persons as may be specified by the AMC from time to time. The
- investors making an application under the exceptional cases are required to comply with the following, without which their applications for subscriptions for units will be rejected / not processed.

  Mandatory KYC compliance of the investor and the person making the payment, in order to determine the identity of the investor and the person issuing the payment instrument.
- Submit a separate, prescribed, 'Third Party Payment Declaration Form' and the person making the payment i.e., the Third Party, giving details of the bank account from which the payment is made and the relationship of the Third Party with the beneficiary. (The declaration form is available at www.unifimf.com)
- Submit a cancelled cheque leaf or copy of bank statement / pass book page mentioning bank account number, account holders' name and address or such other document as the AMC may require for verifying the source of funds to ascertain that funds have been remitted from the drawer's account only.

# Guidelines for Filling Up The Application Form

For identifying Third Party Payments, investors are required to comply with the requirements specified below:

a. Payment by Cheque: An investor at the time of his/her purchase must provide the details of pay-in bank account (i.e. account from which a subscription payment is made) and pay-out bank account (i.e. account into which redemption proceeds are to be paid). Identification of third party cheques by the AMC / Registrars will be on the basis of either matching of pay-in bank account details with registered/pay-out bank account details or by matching the bank account number/name/signature of the first named investor with the name/account number/signature available on the cheque. If the name/bank account number is not pre-printed on the cheque and signature on the cheque does not match with signature on the application, then the first named applicant/investor should submit any one of the following documents:

(i) a copy of the bank passbook or a statement of bank account having the name and address of the account holder and account number.

(ii) a letter (in original) from the bank on the bank's letterhead certifying that the investor maintains an account with the bank, along with information like bank account number, bank branch, account type, the MICR code of the branch & IFSC Code (where available).

In respect of (iii) above, it should be certified by the bank manager with his/her full signature, name, employee code, bank seal and contact number. Investors should note that where the bank account numbers have changed on account of the implementation of core banking system at their banks, any related communication from the bank towards a change in bank account number should accompany the application form for subscription of units

b. Payment by RTGS, NEFT, ECS, Bank transfer, etc: A copy of the instruction to the bank stating the account number debited must accompany the purchase application. The account number mentioned on the transfer Instruction copy should be a registered bank account or the first named unitholder should be one of the account holders to the bank account

## I. LUMPSUM INVESTMENT

Please enter the cheque Number and the investment amount.

#### II. INVESTMENT UNDER SIP

- a The following criteria should be met for an SIP investment as specified in the SID :
- Minimum amount per instalment
- Minimum number of instalments
- Aggregate investment via SIP

If the SIP period is not specified by the investor then the SIP enrolment will be deemed to be for 40 years and processed accordingly. The SIP facility will be available on the date/day as chosen by the investor. If any of the date/day happens to be a holiday/non business day then the SIP transaction will be processed on the next business day. b. SIP Mode - Auto Debit (Direct Debit/NACH/OTM)

- c. For SIP application, the first investment cheque is optional. However, an original cancelled cheque is mandatory to verify the SIP bank details.
- d. The first instalment (in case investor wishes to make the first investment with the SIP application form) you may pay either through Auto Debit (Direct Debit/NACH/OTM)
  e. The first instalment cheque should be dated with the date of submission of the Application Form. The first Instalment cheque and the subsequent Instalments should be for the same amount.
- f. In case of SIP through Auto Debit, the Auto Debit Authorisation needs to be filled in and signed by the Bank Account holders in the same order and manner in which the Bank account is held by them. g. In case of any mismatch between the 'No. of instalment' and the 'SIP period', the SIP period will be considered as per the Auto Debit Facility Form.
- h. In case of any discrepancy between the Application Form and the Auto Debit Facility Form, the SIP details provided in the latter will be considered for investment.

#### Summary

Special Product/Facilities	Frequency	Minimum Amount & in multiples	Minimum Instalments	Dates	
CID	Weekly	Rs. 500 & in multiples of Re.1/	12	Every Wednesday	
SIP	Monthly	Rs. 500 & in multiples of Re.1/	12	Any day except 29th, 30th and 31st as the date of instalment	

#### NRI investors

NRIs and PIOs may purchase units of the scheme(s) on a repatriation and non-repatriation basis, while FIIs may purchase units only on a repatriation basis. They shall attach a copy of the cheque used for payment or a Foreign Inward Remittance Certificate (FIRC) or an Account Debit Certificate from the bankers along with the application form to enable the AMC to ascertain the repatriation status of the amount invested. # Instructions on Controlling Persons / Ultimate Beneficial Owner

As per PMLA guidelines and relevant SEBI circulars issued from time to time, non-individuals and trusts are required to provide details of controlling persons [CP] / ultimate beneficiary owner [UBO] and submit appropriate proof of identity of such CPs/ UBOs. The beneficial owner has been defined in the circular as the natural person or persons, who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted and includes a person who exercises ultimate effective control over a legal person or arrangement.

# A. For Investors other than individuals or trusts:

- i. The identity of the natural person, who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest. Controlling ownership interest means ownership of/entitlement to:
- more than 10% of shares or capital or profits of the juridical person, where the juridical person is a company.
- more than 15% of the capital or profits of the juridical person, where the juridical person is a partnership.
- more than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.
- ii. In cases where there exists doubt under clause (i) above as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests, the identity of the natural person exercising control over the juridical person through other means like through voting rights, agreement, arrangements or in any other manner.
- iii. Where no natural person is identified under clauses (i) or (ii) above, the identity of the relevant natural person who holds the position of senior managing official.

# B. For Investors which is a trust:

The identity of the settler of the trust, the trustee, the protector, the beneficiaries with 10% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

# C. Exemption in case of listed companies / foreign investors

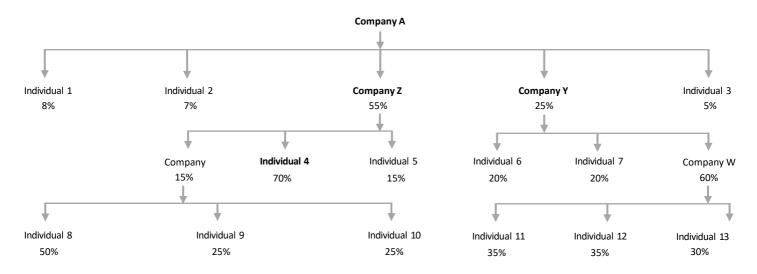

The client or the owner of the controlling interest is a company listed on a stock exchange or is a majority-owned subsidiary of such a company, there is no need for identification and verification of the identity of any shareholder or beneficial owner of such companies and hence exempted from UBO declaration provided other requisite information is provided. Intermediaries dealing with foreign investors' viz., Foreign Institutional Investors, Sub Accounts and Qualified Foreign Investors, may be guided by the clarifications issued vide SEBI circular CIR/MIRSD/11/2012 dated September 5, 2012 and other circulars issued from time to time, for the purpose of identification of beneficial ownership of the client.

# D. KYC requirements

Beneficial Owner(s) / Senior Managing Official (SMO) is/are required to comply with the prescribed KYC process as stipulated by SEBI from time to time with any one of the KRA & submit the same to AMC. KYC acknowledgement proof is to be submitted for all the UBO(s) / SMO(s).

Illustration No. 1 - Company A

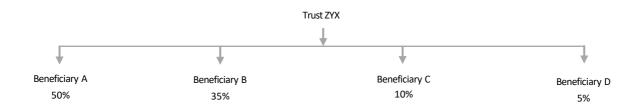

For Applicant A, Individual 4 is considered as UBO as it holds effective ownership of 38.50% in Company A. Hence details of Individual 4 must be provided with KYC proof, Shareholding pattern of Company A, Z & Y to be provided along with details of persons of Company Y who are senior managing officials and those exercising control.

# Illustration No. 2 - Partner ABC

For Partnership Firm ABC, Partners 1, 2 and 5 are considered as UBO as each of them holds >=15% of capital. KYC proof of these partners needs to be submitted including shareholding.

# Illustration No. 3 - Trustee ZYX

For Trust ZYX, Beneficiaries A, B and C are considered as UBO as they are entitled to get benefitted for >10% of funds used. KYC proof for these beneficiaries needs to be submitted. Additionally, if they have nominated any person or group of persons as Settlor of Trust / Protector of Trust, relevant information to be provided along with the proof indicated.

### Background:

In its continuing endeavor to make the existing New Fund Offer process more efficient, SEBI introduced a supplementary process of applying in New Fund Offer, viz: the "Applications Supported by Blocked Amount (ASBA)" process. Accordingly, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended have been amended for ASBA process. The salient features of circular no. SEBI/CED/DIL/ASBA/1/2009/30/12 dated December 30, 2009 available on SEBI website for "Additional mode of payment through Applications Supported by Blocked Amount (hereinafter referred to as "ASBA") are mentioned below for understanding the ASBA process:

- 1. Meaning of ASBA: ASBA is an application for subscribing to a New Fund Offer (NFO), containing an authorisation to block the application money in a bank account
- 2. Self Certified Syndicate Bank (SCSB): SCSB is a banker to an issue registered with the SEBI which offers the facility of applying through the ASBA process. The list of SCSBs will be displayed by SEBI on its website at www.sebi.gov.in from time to time. ASBAs can be accepted only by SCSBs, whose names appear in the list of SCSBs displayed on SEBI's website. Investors maintaining their accounts in any of these Banks may approach one of the designated branches of these SCSBs for availing this facility. Further it may be noted that from time to time new banks register themselves as SCSBs who become eligible to provide these services and also the existing SCSBs designate additional branches that also provide this facility. An updated list of all the registered SCSBs, their controlling branches, contact details and details of their contact persons, a list of their designated branches which are providing such services is available on the website of SEBI at the address http://www.sebi.gov.in. Further these details are also available on the websites of the Stock Exchanges at http://www.bseindia.com and http://www.nseindia.com. Alternatively, investors may also contact the AMC, R&TA for information about the SCSBs or the ASBA process. These SCSBs are deemed to have entered into an arrangement with the Issuer and shall be required to offer the ASBA facility to all its account holders for all issues to which ASBA process is applicable. An SCSB shall identify its Designated Branches (DBs) at which an ASBA Applicant shall submit ASBA and shall also identify the Controlling Branch (CB), which shall act as a coordinating branch for the Registrar to the Issue, Stock Exchanges and Merchant Bankers. The SCSB, its DBs and CB shall continue to act as such, for all issues to which ASBA process is applicable. The SCSB may identify new DBs for the purpose of ASBA process and intimate details of the same to SEBI, after which SEBI will add the DB to the list of SCSBs maintained by it. The SCSB shall communicate the following details to Stock Exchanges for making it available on their respective websites. These details shall also be made available by the SCSB on its website:
  - i. Name and address of the SCSB
  - ii. Addresses of DBs and CB and other details such as telephone number, fax number and email ids.
  - iii. Name and contact details of a nodal officer at a senior level from the CB.
- 3. Eligibility of Investors: An Investor shall be eligible to apply through ASBA process, if he/she:
  - i. is a Resident Retail Individual Investor, Non Institutional Investor, QIBs, Eligible NRIs applying on nonrepatriation basis, Eligible NRIs applying on repatriation basis i.e. any investor
  - ii. is applying through blocking of funds in a bank account with the SCSB; Such investors are hereinafter referred as ..ASBA Investors%0.
- 4. ASBA Facility in Brief: Investor shall submit his / her Application through an ASBA Application Form. either in physical or electronic mode, to the SCSB with whom the bank account of the ASBA Investor or bank account utilised by the ASBA Investor (ASBA Account) is maintained. The SCSB shall block an amount equal to the NFO application Amount in the bank account specified in the ASBA Application Form, physical or electronic, on the basis of an authorisation to this effect given by the account holder at the time of submitting the Application. The Application Amount shall remain blocked in the aforesaid ASBA Account until the Allotment in the New Fund Offer and consequent transfer of the Application Amount against the allocated Units to the Issuers account designated for this purpose, or until withdrawal/failure of the Offer or until withdrawal / rejection of the ASBA Application, as the case may be. The ASBA data shall thereafter be uploaded by the SCSB in the electronic IPO system of the Stock Exchanges. Once the Allotment is finalised, the R&TA shall send an appropriate request to the Controlling Branch of the SCSB for unblocking the relevant bank accounts and for transferring the amount allocable to the successful ASBA Applicants to the AMC account designated for this purpose. In case of withdrawal/Rejection of the Offer, the R&TA shall notify the SCSBs to unblock the blocked amount of the ASBA Applicants within one day from the day of receipt of such notification.
- 5. Obligations of the AMC: AMC shall ensure that adequate arrangements are made by the R&TA to obtain information about all ASBAs and to treat these applications similar to non-ASBA applications while allotment of Units, as per the procedure specified in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009.

Investors are requested to check with their respective banks about the availability of the ASBA facility.

#### 6.Other Information for ASBA Investors:

- 1. On the closure date of the NFO, the ASBA form should be submitted to the SCSBs before the 3.00 p.m. or such other time as may be decided by respective SCSBS
- 2. The Applicant intending to invest in the Scheme through ASBA Process will be required to have a beneficiary account with a Depository Participant (DP) of NSDL/CDSL and will be required to mention in the application form DP ID No. and Beneficiary Account No. with the DP at the time of purchasing Units during the NFO
- 3. Signatures as available with depository will be taken for all purpose after the allotment of units incase of demat holding
- 4. All static details in our records would be taken from the demat account (DP ID) provided by you.
- 5. Bank account details provided in the ASBA Application form will be used for refunding reject applications where DP ID is not matching
- 6. Bank Mandate for redemptions/dividend will be as per your DP ID incase of demat holding.
- 7. SCSB shall give ASBA investors an acknowledgement for the receipt of ASBAS
- 8. SCSB shall not upload any ASBA in the electronic system of the Stock Exchange(s) unless (i) it has received the ASBA in a physical or electronic form; and (ii) it has blocked the application money in the bank account specified in the ASBA or has systems to ensure that Electronic ASBAs are accepted in the system only after blocking of application money in the relevant bank account opened with it.
- 9. SCSB shall ensure that complaints of ASBA investors arising out of errors or delay in capturing of data, blocking or unblocking of bank accounts, etc. are satisfactorily redressed.
- 10.SCSB shall be liable for all its omissions and commissions in discharging responsibilities in the ASBA
- 11.R&TA shall act as a nodal agency for redressing complaints of ASBA and non-ASBA investors, including providing guidance to ASBA investors regarding approaching the SCSB concerned
- 12.ASBA facility is currently available only to those investors who wish to hold the units in dematerialized form.

#### Grounds for rejection of ASBA applications

ASBA application forms can be rejected by the AMC/Registrar/ SCSBs, on the following technical grounds:

- 1. Applications by persons not competent to contract under the Indian Contract Act, 1872, including but not limited to minors, insane persons etc.
- 2. Mode of ASBA i.e. either Physical ASBA or Electronic ASBA, not selected or ticked
- 3. ASBA Application Form without the stamp of the SCSB
- 4. Application by any person outside India if not in compliance with applicable Foreign and Indian laws.
- 5. Bank account details not given/incorrect details given.
- 6. Duly certified Power of Attorney, if applicable, not submitted along with the ASBA Application Form.
- 7. No corresponding records available with the Depositories matching the parameters namely (a) Names of the ASBA applicants (including the order of names of joint holders) (b) DP ID (c) Beneficiary account number or any other relevant details pertaining to the Depository Account.
- 8. Insufficient funds in the investor's account,
- 9. Application accepted by SCSB and not uploaded on/with the Exchange / Registrar
