This Key Information Memorandum (KIM) sets forth the information, which a prospective investor ought to know before investing. For further details of the scheme/Mutual Fund, due diligence certificate by the AMC, Key Personnel, investors' rights & services, risk factors, penalties & pending litigations, associate transactions etc. investors should, before investment, refer to the Offer Document available free of cost at any of the Investor Service Centres or distributors or from the website <a href="https://www.quantmutual.com">www.quantmutual.com</a>.

The Scheme particulars have been prepared in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations 1996, as amended till date, and filed with Securities and Exchange Board of India (SEBI). The units being offered for public subscription have not been approved or disapproved by SEBI, nor has SEBI certified the accuracy or adequacy of this KIM.

This Key Information Memorandum is dated June 30, 2020.

Investment Objective	The investment objective of the scheme is to generate income / capital appreciation through a portfolio comprising money market and debt instruments. There is no assurance that the investment objective of the Scheme will be realized.					
Asset Allocation Pattern of the scheme	Asset Class Allocation	Normal Allocation (% of net assets)	Risk Profile			
	Debt and money market instruments*.	0-100%	Low to Medium			
	*Debt securities may include securitized debts up to 50% of the net assets.  The Scheme will invest in Debt and Money Market instruments across duration. The cumulative gross exposure through debt securities, money market securities/instruments and derivatives will not exceed 100% of the net assets of the Scheme. The Scheme may invest in foreign debt securities / instruments.  The Scheme will participate in repo of money market and corporate debt securities. The Scheme will engage in short selling of securities and securities lending and borrowing.  Trading in Derivatives: To optimally manage portfolio risk, the Scheme may use various derivative instruments and hedging products in a manner permitted by SEBI. The scheme may take exposure to derivative instruments up to 100% of net assets.					
Investment Strategy of the Scheme	The Investment strategy involves investing in debt, money market and other instruments across the duration curve, on the basis of QMML's interest rate outlook. A key input into the formulation of the interest rate outlook is QMML's proprietary VLRT framework, wherein we incorporate the full spectrum of cross asset, cross market data along deeper aspects related to the three axis of Valuation, Liquidity, and Risk appetite and view it in a dynamic setting – Time, thus, forming the multi-dimensional VLRT framework. The Scheme shall endeavour to control for credit risk and develop a well-diversified portfolio of debt (including securitized debt) instruments. Though every endeavor will be made to achieve the objective of the Scheme, the AMC/Sponsors/ Trustee do not guarantee that the investment objective of the Scheme will be achieved. No guaranteed returns are being offered under the Scheme.					
Risk Profile of the Scheme	Mutual Fund investments are subject to market risks. Please read the SID carefully for details on risk factors before investment. Scheme specific risk factors are summarized below:  Credit Risk: Debt instruments carry a Credit Risk, which essentially implies a failure on the part of the issuer of the security to honour its principal or interest repayment obligations. This inability of a credit issuer to honour its obligation is generally a function of underlying performance of the asset, in terms of generating the requisite cashflows. Credit risks of debt securities are rated by independent rating agencies. These ratings range from 'AAA' (read as 'Triple A' denoting 'Highest Safety') to 'D' (denoting 'Default'), with intermediate ratings between the two extremes. Deteriorating credit profile of an issuer may lead to a rating agency lowering the rating on its debt instruments; this is likely to lead to a fall in the price of these instruments.  Liquidity Risk: Liquidity risk for debt instruments refers to the possibility that there might not be a ready buyer for the debt instrument at a time when the scheme					
	decides to sell it. Liquidity risk is securities are generally more liquinstruments are generally more I generally more liquid).	uid than corporate bo	onds), ratings (highe	r rated		

Interest-Rate Risk: In case of fixed income bearing debt instruments, when interest rates rise, prices of the securities decline and when interest rates fall, the prices increase. The extent of sensitivity of a security to movement in interest rates is determined by its duration, which is a function of the existing coupon, the payment-frequency of such coupon, and days to maturity. Floating rate securities, with coupon linked to market interest rates have less sensitivity to interest rate risk.

Prepayment Risk: Certain fixed income instruments come with a 'call option' which give the issuer the right to redeem the security through prepayment before the maturity date. This option is generally exercised in periods of declining interest rates, and will result in the scheme having to reinvest the proceeds of prepayment at lower yields, resulting in lower interest income.

Risk Mitigation	Risk & Descript ion specific to Debt	Risk Mitigants / Management Strategy
	Credit Risk	This risk shall be mitigated by investing in papers which have a high degree of safety. Further this risk is minimal in case of securities issued by central / state government/.
	<u>Liquidity Risk</u>	This risk shall be mitigated by striving to avoid investing in thinly traded securities or securities with lower volumes.
	<u>Interest-Rate</u> <u>Risk</u>	This risk can be mitigated by the fund manager striving to maintain portfolio duration which is appropriate for market conditions.
	Prepayment Risk	This risk can be mitigated by minimizing investments in securities with 'call options', unless favourable market conditions makes investments in such securities attractive.

# Plans and Options

The investor can opt for the following:

- A. Regular Plan (For applications routed through Distributors):
- 1. Growth (Capital Appreciation)
- 2. Dividend (Regular Income)
- B. Direct Plan (For applications not routed through Distributors):
- 1. Growth (Capital Appreciation)
- 2. Dividend (Regular Income)

# Default Options

In case the investor does not select suitable alternative, defaults applicable shall be as follows:

Default Plan - Direct Default

Option - Growth

Default Dividend Payout Option – Re-invest

Investors are requested to note the following scenarios for the applicability of "Direct Plan (application not routed through distributor) or Regular Plan (application routed through distributor)" for valid applications received under the scheme:

Scenario	Broker Code mentioned by the investor	Plan mentioned by the investor	Default Plan to be captured

## Unitholders' Information

#### **Accounts Statements**

Each Unitholder will receive an Account Statement each time additional purchases or redemptions of Units are made, or distributions in respect of Units are declared and paid.

For normal transactions (other than SIP) during ongoing sales and repurchase:

- The AMC shall issue to the investor whose application (other than SIP) has been accepted, an account statement specifying the number of units allotted (state the service standard for the same)
- For those unitholders who have provided an e-mail address, the AMC will send the account statement by e-mail.
- The unitholder may request for a physical account statement by writing/calling the AMC/ISC/R&T.

#### For SIP transactions:

- Account Statement for SIP will be despatched once every quarter ending March, June, September and December within 10 working days of the end of the respective quarter.
- A soft copy of the Account Statement shall be mailed to the investors under SIP to their e-mail address on a monthly basis, if so mandated.
- However, the first Account Statement under SIP shall be issued within 10 working days of the initial investment/transfer.
- In case of specific request received from investors, Mutual Funds shall provide the account statement (SIP) to the investors within 5 working days from the receipt of such request without any charges.

## Applicable to Investors who opt to hold Units in Non-Demat Form

- The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 Business Days of receipt of valid application/transaction to the Unit holders registered e-mail address and/or mobile number.
- A consolidated account statement for each calendar month to the Unit holder(s) in whose folio(s) transaction(s) has/have taken place during the month on or before 10<sup>th</sup> of the succeeding month shall be sent by mail or e-mail.
- In the event the account has more than one registered holder, the first named Unit holder shall receive the CAS/ account statement.
- The transactions viz. purchase, redemption, switch, dividend payout, etc., carried out by the Unit holders shall be reflected in the CAS on the basis of Permanent Account Number (PAN).
- The CAS shall not be received by the Unit holders for the folio(s) not updated with PAN details. The Unit holders are therefore requested to ensure that the folio(s) are updated with their PAN.
- The Unit holder may request for a physical account statement by writing to/calling the AMC/ISC/RTA. The Mutual Fund/ AMC shall despatch an account statement within 5 Business Days from the date of the receipt of request from the Unit holder.

#### **Half-Yearly Consolidated Account Statement:**

 A consolidated account statement detailing holding across all schemes at the end of every six months (i.e. September/ March), on or before 10<sup>th</sup> day of succeeding month, to all such Unitholders holding units in non- demat form in whose folios no transaction has taken place during that period shall be sent by mail/email.

The half yearly consolidated account statement will be sent by email to the Unit holders whose email address is registered with the Fund, unless a specific request is made to receive in physical.

Pursuant to SEBI circular SEBI/HO/IMD/DF2/CIR/P/2016/89 dated September 20, 2016, the following points have been incorporated to increase the transparency of information to the investors:

- (a) Each CAS issued to the investors shall also provide the total purchase value / cost of investment in each scheme.
- (b) Further, CAS issued for the half-year (ended September/ March) shall also provide:
  - (i) The amount of actual commission paid by AMCs/Mutual Funds (MFs) to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each MF scheme. The term 'commission' here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by AMCs/MFs to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as service tax (wherever applicable, as per existing rates), operating expenses, etc.
  - (ii) The scheme's average Total Expense Ratio (in percentage terms) for the half-year period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.
- (c) Such half-yearly CAS shall be issued to all MF investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period. Any circular/clarification issued by SEBI in this regard will automatically become applicable and shall be incorporated in the SID/SAI/KIM wherever applicable.

#### Applicable to Investors who opt to hold Units in Demat Form

The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 Business Days of receipt of valid application/transaction to the Unit holders registered e-mail address and/or mobile number. The statement of holding of the beneficiary account holder for units held in demat will be sent by the respective DPs periodically.
